Denis Panjuta

CEO of TutorialsEU and Creator

Denis started his first YouTube channel back in 2013. With TutorialsEU starting in 2019, we made Android and C# coding accessible via YouTube.

Jannick Leismann

Head of Content and Creator

Jannick worked as a freelance software developer and instructor for several years, making him one of the best programming creators in the field.

Our Mission

We aim to teach professional software development in an easy and accessible way by creating top-notch tutorials.

Our audience is interested in various tools, frameworks, hardware, and services that add value to their lives as programmers and tech-geeks.
